MATERIAL REQUIREMENTS

Advertising material should be sent by e-mail to lynne@im-mining.com. Large files (10Mb or more) can be compressed using Zip, Stuffit, RAR or JPEG, or please ask for alternative methods of sending. Alternatively, material can be sent by courier or post on a CD, DVD or memory stick to the address below.

File naming convention: Company name_month, i.e. YourCompanyName_September

Print-ready file format: High resolution 300 dpi CMYK PDF (Press Optimised). Acrobat 5 (PDF 1.4) compatible (or newer). Please do not embed colour profiles as they may clash with our printing profile.

- All images must be high resolution – 300 dpi (at final size), CMYK or greyscale.
- All fonts must be embedded.
- Colours must be converted to CMYK. The use of RGB and pantone colours can NOT be accepted, apart from Pantone Spot colours which are accepted at an extra charge. Please do not embed colour profiles as they may clash with our printing profile.
- Crop marks should be added where necessary.
- Bleed – plus 5 mm on all 4 edges.
- Layers must be flattened before saving as a PDF file.

Other file formats accepted: Adobe Photoshop Type must be separate and not form part of the picture, also it must be 100% Black and not made up from CMYK. (save as 300 dpi, .tif, .eps or .jpeg). Adobe Illustrator (save as .eps – ensuring all fonts are saved as outlines). QuarkXpress and InDesign – by arrangement with our production department.

We cannot accept: Microsoft Word, Excel or Powerpoint files. These programmes resize the pages and cannot separate colours to CMYK.
